

The Village Hall will be 25 years old in July 2020 and we would very much like to mark the occasion. Were you around when it was built? Do you have memories of the move from the old village hall? Were you part of the team who made it happen? Did you simply help to pick up flints from the playing fields? We would love to hear from you and see any photos or video footage you might have from that time.

Do you perhaps recognise this? If you are an owner of one of these from 1995, please do get in touch!

Whilst the focus will be on the new hall, we would like to remember what came before too, so if your memories predate the new hall and you'd be happy to share them, please do let us know.

We would very much like to be able to display a collection of memories at the hall during the celebrations and we hope that as many of you as can, will join us on **Saturday, July 25th** to mark the occasion.

Watch out for details in the Mardler, on the village noticeboards, on social media and on our new website.

Please send your details, recollections, pictures and video to:

Kelly Pickard (Parish Clerk)
